

# Nitrogen+Syngas Expoconference

Barcelona, Spain // 10 - 12 February 2025

## Exhibitor List

| Stand | Company  | Stand | Company                                    |
|-------|--|-------|--|
| 1     | Reserved   | 46    | Toyo Engineering Corporation / Metal       |
| 2     | Clariant   | 47    | One Sumisho Tubular Products/ Nippon Steel |
| 3     | Tema India   | 48    | BOLDROCCHI S.R.L.                          |
| 4     | Key-Tech Engineering Company                                 | 49    | KINETICS PROCESS IMPROVEMENTS (KPI)        |
| 5     | Gouda Refractories   | 50    | Navigation                                 |
| 6     | Unidense Technology GmbH/ Mourik Inc                         | 51    | Heraeus Precious Metals                    |
| 7     | Manoir Industries  | 52    | Stamicarbon/Nextchem                       |
| 8     | Rotex  | 53    | Casale                                     |
| 9     | AST S.p.A  | 54    | AMETEK LAND                                |
| 10    | Project Materials Energy Services/ SCHMIDT+CLEMENS/ INNOWELD | 55    | BORSIG Process Heat Exchanger GmbH         |
| 11    | Zeeco  | 56    | CellMark                                   |
| 12    | Duiker Clean Technologies                                    | 57    | Eurotecnica Contractors and Engineers SpA  |
| 13    | Benvitec BlueFil®  | 58    | Greens Combustion                          |
| 14    | SICK AG  | 59    | Solex Thermal Science                      |
| 15    | SICK AG  | 60    | Ventilatorenfabrik Oelde GmbH              |
| 16    | TUBACEX  | 61    | Begg Cousland Envirotec                    |
| 17    | BHDOT  | 62    | Casale                                     |
| 18    | IPCOS  | 63    | Topsoe                                     |
| 19    | BASF   | 64    | Zwick Armaturen GmbH                       |
| 20    | Blasch Precision Ceramics                                    | 65    | Boustead International Heaters Ltd         |
| 21    | Christof Group SBN   | 66    | Mitsubishi Heavy Industries, Ltd.          |
| 22    | Paralloy Limited   | 67    | SCHMIDTSCHKE SCHACK I ARVOS GmbH           |
| 23    | Officine LUIGI RESTA S.p.A.                                  | 68    | Giammarco-Vetrocoke                        |
| 24    | IGS Europe   | 69    | QINGDAO NPA                                |
| 25    | Reserved   | 70    | ALLIA                                      |
| 26    | Engemasa   | 71    | Siemens                                    |
| 27    | Quality Engineering  | 72    | Saipem SpA                                 |
| 28    | Yantai Manoir Heat Resistant Alloys Co., Ltd                 | 73    | Institut Dr. Foerster                      |
| 29    | ITT SPA  | 74    | NobelClad                                  |
| 30    | Telus Applications For Industry                              | 75    | John Zink International                    |
| 31    | Lointek  | 76    | Mannesmann Stainless Tubes / GEMACO        |
| 32    | Alleima  | 77    | Energy Bolting                             |
| 33    | Alleima  | 78    | SPRANA                                     |
| 34    | BELLELI ENERGY CPE / WALTER TOSTO / MARALDI                  | 79    | H. Butting GmbH & Co. KG                   |
| 35    | BREMBANA&ROLLE   | 80    | EST Group B.V. - Curtiss Wright            |
| 36    | KontrollTechnik  | 81    | AWS Corporation                            |
| 37    | Johnson Matthey  | 82    | Umicore AG & Co. KG                        |
| 38    | thyssenkrupp Uhde GmbH                                       | 83    | Reserved                                   |
| 39    | Air Products   | 84    |  |
| 40    | WIKA Alexander Wiegand SE & Co. KG                           | 85    |  |
| 41    | Linde  | 86    | Provalve Armaturen GmbH & Co.KG            |
| 42    | Stamicarbon/Nextchem   | 87    |  |
| 43    | BD Energy Systems  | 88    |  |
| 44    | Kimre  | 89    | Schenk Stahl GmbH                          |
| 45    | UNICAT CatalystTechnologies, LLC                             |       |  |

Exhibition - Ground Floor  
Conference Room - Lower ground floor

Available 3m x 2m  
Sold 3m x 2m
