

Delayed Coking | Fluid Catalytic Cracking | Sulfur Production & Processing | Solvent Deasphalting

# REFCOMM<sup>®</sup> 2022

Training, Conference, & Exhibition

May 9-13, 2022 • Galveston, Texas, USA

## Attendee list as at April 28, 2022

Job Title	Company	Country
Field Superintendent	5Star Installations	United States
Sales Account Director	Akselos S.A.	United States
Global Downstream Business Director	Akselos S.A.	United States
Technical Sales Manager	Akselos S.A.	United States
Sales Account Director	Akselos S.A.	United States
Associate	Ameriscan LLC	United States
Ampo Poyam Valves USA Director	Ampo Poyam Valves	Spain
Severe Service Specialist	Ampo Poyam Valves	Spain
Innovation & Technology Manager	AMPO Poyam Valves	Spain
Hydrocarbon Sector Manager	Ampo Poyam Valves	Spain
Territory Manager	Anvil Attachments	United States
Sales Manager	Anvil Attachments	United States
Managing Director	ART-Envi GmbH	Germany
Managing Director	ART-Envi Services GmbH & Co KG	Germany
Sales Manager, Industrial Sales - Texas	Aspen Aerogels	United States
Sales Manager, Industrial Sales	Aspen Aerogels, Inc.	United States
Manager, Technical Services	Aspen Aerogels, Inc.	United States
Manager, Industrial Sales	Aspen Aerogels, Inc.	United States
Manager of Sales	AZZ Specialty Welding	United States
Account Executive	AZZ Specialty Welding	United States
Account Executive	AZZ Specialty Welding	United States
Vice President and General Manager	AZZ Specialty Welding	United States
Director of Projects	AZZ WSI LLC	United States
Vice President of Business Strategy	AZZ, Inc.	United States
Heavy Lift Manager Americas	Becht	United States
Pressure Vessel Group Lead	Becht	United States
Engineering Advisor	Becht	United States
Manager Strategic Consulting	Becht	United States
Senior Engineering Advisor	Becht	United States
Director of Engineering	Becht	United States
HSE Officer	Becht	United States
Director Business Development	Becht	United States
Sr. Engineering Advisor - Pressure Vessel Group	Becht Engineering	United States
Manager of Technologies	Bechtel Energy Technologies & Solutions, Inc.	United States
Furnace Technology Manager	Bechtel Energy Technologies & Solutions, Inc.	United States
Coking Technologist	Bechtel Energy Technologies & Solutions, Inc.	United States

License Package Manager	Bechtel Energy Technologies & Solutions, Inc.	United States
Sulfur Technology Manager	Bechtel Energy Technologies & Solutions, Inc.	United States
Coking Mechanical Specialist	Bechtel Energy Technologies & Solutions, Inc.	United States
Sulfur & SWS Process Technologist	Bechtel Energy Technologies & Solutions, Inc.	United States
Regional Sales Manager	Berthold Technologies USA, LLC	United States
Global Business Development Manager	Berthold Technologies USA, LLC	United States
Welding Engineer Manager	BHI Energy	United States
Industrial Account Manager	BHI Energy	United States
Sales Director	BHI Energy	United States
Manager, International Operations	BHI Energy	United States
Senior Director	BioChem Systems	United States
Director	BLAC Inc	United States
Engineering Manager	BLAC Inc	United States
Sales Manager	BLAC Inc	United States
Engineering Manager	BLAC Inc	United States
Senior Market Manager-Energy & Chemicals	Blasch Precision Ceramics	United States
Applications Engineer II	Blasch Precision Ceramics	United States
Strategic Account Manager	Blasch Precision Ceramics	United States
Vice President, New Business Developemt	BNZ Materials	United States
Senior Sales Representative	BNZ Materials	United States
VP Field Service	BOC Water Hydraulics	United States
Mgr. Coking Programing Services	BOC Water Hydraulics	United States
Technical Advisor - Coking	BP	Spain
Superintendent, Maintenance	Canadian Natural Resources (Horizon Oil Sands Site)	Canada
Engineer, Instrumentation	Canadian Natural Resources (Horizon Oil Sands Site)	Canada
Reliability Specialist	Canadian Natural Resources (Horizon Oil Sands Site)	Canada
Engineer, Asset Integrity	Canadian Natural Resources (Horizon Oil Sands Site)	Canada
Superintendent, Operations	Canadian Natural Resources (Horizon Oil Sands Site)	Canada
Lead Engineer, Instrumentation	Canadian Natural Resources (Horizon Oil Sands Site)	Canada
Director of Technology & Business Development	Carolina Filters, Inc	United States
Technical Sales Engineer	Carolina Filters, Inc	United States
Technical Advisor	Carolina Filters, Inc	United States
CatCracking SME / Emcee	CatCracking.com / REFCOMM	United States
Vice President of Sales	CECO Emtrol-Buell	United States
Senior Vice President	CG Thermal LLC	United States
Marketing Coordinator	CG Thermal LLC	United States
Product Design Manager, AirBTU	CG Thermal LLC	United States

Engineer Process - Crude #2 and Coker #2	Chalmette Refining	United States
FCC Process Expert	Chevron	United States
Shift Team Lead	Chevron	United States
FCC Turnaround Coordinator	Chevron El Segundo	United States
FCC Operator	Chevron El Segundo	United States
FCC Turnaround Coordinator	Chevron El Segundo	United States
Technology Director - Delayed Coking	Chevron Lummus Global	United States
Equipment Manager	Chevron Lummus Global	United States
Designs Engineer	Chevron Products Company	United States
Operator	CHS	United States
Operations Superintendent	CHS	United States
Special Projects Operator	CHS	United States
Coker Supervisor	CHS	United States
Production Operations Supervisor	CHS McPherson Refinery	United States
Plant Engineer	CHS McPherson Refinery Inc	United States
Operator	CHS Refinery at McPherson KS	United States
VP, Business Development	CIRCOR   DeltaValve	United States
Senior Director, Global Sales	CIRCOR   DeltaValve	United States
Regional Sales/ Inside Sales Manager	CIRCOR   DeltaValve	United States
Director, Installation Services	CIRCOR   DeltaValve	United States
Sr. Product Manager	CIRCOR   DeltaValve	United States
Marketing	CIRCOR   DeltaValve	United States
Manager of Service	CIRCOR   DeltaValve	United States
Regional Sales Director	CIRCOR   DeltaValve	United States
Senior Manager App Engineering	CIRCOR   DeltaValve	United States
Director Strategic Relations	CIRCOR   DeltaValve	United States
Senior Sales Manager	CIRCOR   TapcoEnpro	United States
Senior Account Manager	CIRCOR   TapcoEnpro	United States
Account Manager - Technical Services	CIRCOR   TapcoEnpro	United States
General Manager	CIRCOR   TapcoEnpro	United States
Principal Refining Consultant	Citgo	United States
Process Engineer	Citgo	United States
Manager Process Engineering	Citgo Corporation	United States
Process Engineer	CITGO Petroleum Company	United States
Director Technology	CLG	United States
Director of Field Services	Coking.com	United States
Coking & Process Engineering Specialist	Coking.com Inc	United States
Field Services	Coking.com Inc	United States
Technology Specialist	Comprimo, Worley	Canada
Manager, Business Development	Corys, Inc	United States
Sales	Crane	Canada
Application Specialist	Crane ChemPharma & Energy	United States
Global Business Line Manager - Wedgeplug and HF Acid Valves & Engineered Check Americas	Crane ChemPharma & Energy	United States
President, North America	CRU	United States
Sponsorship and Exhibitions Manager	CRU	United Kingdom

Regional Director, India, Middle East and Africa	CRU	United Kingdom
Senior Event Organiser	CRU	United Kingdom
Marketing	CRU	United Kingdom
Portfolio Director, Events	CRU	United Kingdom
Sr Event Manager	CRU/RefComm	United States
North America Key Account Manager	CSI/Ametek	United States
Regional Sales	D.D.Technology Inc	United States
President	D.D.Technology Inc	United States
Sales & Field Support Manager	Delta Controls Corporation	United States
VP of Sales	Distran Ltd	Switzerland
Area Sales Manager	Duiker Combustion Engineers	Netherlands
Coker Consultant	DWW Coker Consulting Pvt. Ltd	United States
Sales Consultant	E-Crane International USA	United States
Business & Technology Development	Elessent Clean Technologies	United States
General manager	Elwood Corporation	United States
Vice President	Elwood Corporation	United States
Product Marketing Manager - Level & Pressure	Endress+Hauser Inc	United States
Department Manager Business Development	Endress+Hauser SE+Co KG	Germany
Project Manager	EnvTech	United States
Project Manager	Envtech, Inc.	United States
Technical Manager	Envtech, Inc.	United States
Project Manager	Envtech, Inc.	United States
Oil & Gas Manager	ESCO Argentina	Argentina
Director	ESCO Argentina	Argentina
Sales Manager	Everlasting Valve Co	United States
DCU Process Engineer	ExxonMobil	United States
Mechanical Engineer	ExxonMobil	United States
Regional Static Equipment Lead	ExxonMobil	United States
Delayed Coker Tech Lead	ExxonMobil - Baton Rouge	United States
Key Account Manager, Americas	FLEXIM Americas Corporation	United States
Regional Sales Manager	FLEXIM Americas Corporation	United States
West Coast Regional Sales Manager	FLEXIM AMERICAS Corporation	United States
The Coker Operations Engineer	Flint Hills Resource	United States
Operations Business Leader	Flint Hills Resources	United States
Reliability Engineer	Flint Hills Resources	United States
Senior Asset Engineer	Flint Hills Resources	United States
Process Lead	Flint Hills Resources	United States
Global Product Leader – Decoking Systems	Flowserve	United States
Hydraulic Decoking Sales Specialist	Flowserve	United States
Regional Product Specialist	Flowserve	Spain
Field Engineer	Flowserve	United States
Specialist Research & Development Engineer	Flowserve	United States
Director of Global Product Marketing	Flowserve	United States
Global Product Engineer – Decoking Systems	Flowserve	United States

Global Product Specialist	Flowserve	United States
Sales Engineer	Flowserve	United States
Senior Trainer	Flowserve	United States
Applications Engineer	Flowserve Corporation	United States
Vice President	Furnace Improvements Service Inc	United States
Technical Director	General Kinematics	United States
Regional Sales Representative	General Kinematics	United States
Technical Director	General Kinematics	United States
Senior Research Scientist	Graftech International	United States
Material Scientist	Graftech International	United States
Senior Vice President - Corporate Business Development	GSE Solutions	United States
Product Manager	GSE Systems	United States
Managing Director - Americas	Haldor Topsoe, Inc.	United States
Engineering Manager	Heater Specialists, LLC	United States
President	Heater Specialists, LLC	United States
Technical Services Manager	HF Sinclair	United States
President	Hoekstra Trading LLC	United States
Process Technology Specialist	HollyFrontier Refining Corp	United States
President	Houston Engineering Solutions, LLC	United States
Gas Treating Engineer	Huntsman	United States
Sales Manager	Hydrocarbon Engineering	United Kingdom
Applications Leader - Delayed Coking & FCC	IMI Z&J	Germany
Applications Manager – North America IMI Z&J	IMI Z&J	United States
Head of Product Marketing & Strategy	Imubit	United States
Director of Business Development – Americas O&G	Integrated Global Services (IGS)	United States
Area Sales Manager, North America	Intero Integrity Services	United States

Account Manager	Intero Integrity Services	Canada
Sales Manager	Intero Integrity Services	Canada
Sales Manager	John Crane	United States
Sales Manager	John Crane	United States
Sales Manager	John Crane	United States
Regional Sales Manager	Johnson Matthey	United States
Operations Manager	JVIC	United States
Senior Project Manager	KBR	United States
Principal Designer - Vessel Mechanical FCCU	KBR	United States
Senior Technical Advisor-Mechanical	KBR	United States
Principle Designer - FCC Vessel Mechanical	KBR	United States
Sr. Principle Designer - FCC Vessel Mechanical	KBR	United States
Director - Engineering Operations	KBR - Proprietary Process Technologies	United States
FCC Technical Advisor	KBR (Houston, TX)	United States
Applications Engineering and Business Development	Kennametal Conformal Clad	United States
Global Marketing Portfolio Manager	Kennametal Conformal Clad	United States

Process Engineer	KP Engineering	United States
Vice President, business Development	Liquidity services	United States
Vice President, Business Development	Liquidity Services	United States
Senior R&D Engineer	Lummus Technology	United States
Director, Advanced Digital Applications	Lummus Technology	United States
Manager, Maintenance Execution	LyondellBasell	United States
Specialist, Operations	LyondellBasell	United States
Supervisor, Maintenance	LyondellBasell	United States
Engineer, Process	LyondellBasell	United States
Supervisor, Operations	LyondellBasell	United States
Manager, Asset (Cokers)	LyondellBasell	United States
Process Engineer	LyondellBasell Houston Refining	United States
Domestic Sales Manager	Macoga SA	Spain
Process Engineer	Marathon Petroleum	United States
Operations Supervisor	Marathon Petroleum	United States
Area Operations Supervisor	Marathon Petroleum - Garyville	United States
Lead Process Development Engineer	Marathon Petroleum - Los Angeles Refinery	United States
Corporate Refining - Inspection Engineering Specialist	Marathon Petroleum Corporation	United States
Director of Sales	McDonough Elevators	United States
Sales	McDonough Elevators	United States
North American Business Development Manager	MEA Incorporated	United States
President	MEA Incorporated	United States
Managing Director	MIAM GmbH	Germany
President	MIAM North America	United States
Product Manager	MOGAS Industries	United States
Marketing Specialist	MOGAS Industries	United States
R&D Engineering Supervisor	MOGAS Industries	United States
SME – Refining and Petrochemical	MOGAS Industries	United States
Product Engineer	MOGAS Industries	United States
SME – Delayed Coking	MOGAS Industries	United States
Americas Site Services Manager	MOGAS Industries	United States
Territory Sales Manager	MOGAS Industries Inc	United States
CEO/COO	MOGAS Industries, Inc	United States
EPC Technical Engineer	MOGAS Industries, Inc.	United States
Vice President of Sales, Marketing and Technology	MOGAS Industries, Inc.	United States
Ibero-American Regional Sales Manager	MOGAS Industries, Inc.	United States
Business Development Manager	Morgan Advanced Materials	United States
Global Director Product Management	Morgan Advanced Materials	United States
Sales Territory Manager	Morgan Advanced Materials	United States
Key Account Manager	Morgan Advanced Materials	United States
Sr. R&D Engineer	Morgan Advanced Materials	United States
Global Engineering Manager	Morgan Advanced Materials - Thermal Ceramics	United States
Manager of Technology	Motiva	United States
Business Team Leader	Motiva	United States

Process Engineering Team Lead	Motiva	United States
Field Operator	Motiva	United States
Field Operator	Motiva	United States
Production Specialist	Motiva	United States
Field Operator	Motiva	United States
Production Supervisor	Motiva	United States
Instrument Inspector	Motiva	United States
Coking Process Engineer	Motiva	United States
Field Operator	Motiva	United States
Field Operator	Motiva	United States
Manager of Technology	Motiva Enterprises - Houston	United States
Heavy Oil Techology	MPC	United States
Engineered Product Manager	MRC Global	United States
Regional Manager	MRC Global	United States
Sr industry Technical Consultant	Nalco Water	United States
Senior Industry Technical Consultant	Nalco Water	United States
Senior Industry Technical Consultant Downstream Processes	Nalco Water	Canada
Downstream Refining, Director of Marketing	Nalco Water	United States
Senior Technical Consultant	Nalco Water	Canada
Area Sales Manager	Neles USA, Inc	United States
Area Sales Manager	Neles USA, Inc	United States
Industry Sales Manager	Neles USA, Inc.	United States
Territory Manager	NobelClad	United States
Business Development Manager	Nobelclad	United States
Engineer	Norwood	United States
Sales Manager	Norwood	United States
General Manager	ONIS	United States
General Manager	ONIS	United States
Engineer Processes	OQ	Oman
Field Operator	OQ8	Oman
Product Manager, Flow Product Line	Panametrics, a Baker Hughes Business	United States
Production Specialist	PBF	United States
Engineer	PBF Energy	United States
Operations Excellence Manager	PBF Energy	United States
Operations Support Engineer	PBF Energy	United States
Director of Strategic Planning & Analysis	PBF Energy	United States
Rotating Equipment Engineer	PBF Energy - Martinez Refining Company	United States
Senior Process Engineer	Pemex - Deer Park Refinery	United States
General Manager	PERGAM TECHNICAL SERVICES, INC	United States
Director of Coking Technology	Phillips 66	United States
Editor	PTQ	United States
US Operations	PTQ	United States
Business Segment Manager - Refining	Quadra Chemicals	Canada
USA Refining Sales Manager	Quadra Chemicals Inc	United States
Business Development Manager	Quantum Technical Services	United States
Technical Advisor	Quest Integrity	United States

Consultant	R&H Technical Sales, Inc.	United States
Chief Process Engineer	RDS	United States
Marketing	RefComm	United States
Graphic Design	RefComm	United States
Director Business Development	Refined Technologies	United States
Senior Director of Business Development	Refined Technologies Inc.	United States
Director of Business Development	Refined Technologies Inc.	United States
Account Manager	REXA, Inc.	United States
Marketing Manager	REXA, Inc.	United States
Account Manager	REXA, Inc.	United States
Global Industry Manager	REXA, Inc.	United States
Director of Business Development	REXA, Inc.	United States
Project Manager/Engineering Manager	Richard EPC	United States
Manager North America Decoking	Ruhrpumpen	United States
Decoking Project Manager	Ruhrpumpen	United States
Decoking Specialist	Ruhrpumpen	United States
Global Decoking Product Line Manager	Ruhrpumpen	United States
Decoking Repair coordinator	Ruhrpumpen	United States
Senior North American Decoking Specialist	Ruhrpumpen	United States
Global Decoking Specialist	Ruhrpumpen	United States
Regional Sales Manager	SchuF USA	United States
Regional Sales Manager	SchuF USA	United States
Process Engineer	Seadrift Coke	United States
Reliability Engineer	Seadrift Coke	United States
Sales Manager	Severe Service Specialists, Inc.	United States
FCCU Licensing Technology Manager	Shell Global Solutions USA	United States
Senior Consultant	Structural Integrity Associates, Inc.	United States
Vice President of Industrial Solutions	Structural Technologies	United States
Senior Director	Structural Technologies	United States
Senior Director of Construction	Structural Technologies	United States
HPI/CPI Process Separations Solution Architect	Suez Water Technologies & Solutions	United States
Product Applications Engineer	Suez WTS	United States
Business Development	Sulfur Operations Support, Inc.	United States
Chief Designer/Sales Manager	Sulfur Operations Support, Inc.	United States
US Regional Manager	Sulfur Recovery Engineering	United States
Senior Process Engineer	Sulphur Experts	Canada
Regional Manager - USA and Latin America, Sales and Marketing Manager	Sulphur Experts	Canada
Regional Technical Manager Valve Products and Services	TEAM	United States
Process Engineer	Technip Energies	United States
Principal Engineer	Technip Energies	United States
Emergency Coke Cutting Specialist	Tiger Industrial	United States
Regional Manager	Tiger Industrial	United States
Not given	TLV Corporation	United States
Product Specialist	Topsoe A/S	Denmark

Product Line Director	Topsoe A/S	Denmark
Process Engineer	Total Energies	United States
Mechanical Engineer	TotalEnergies	United States
Coker Central Operator	TotalEnergies	United States
Coker Operator	TotalEnergies	United States
President	Trident Process Technologies	United States
Sales Manager	Trident Process Technologies	Canada
Heat Exchanger Product Manager	Tubacex America Inc	United States
Technical Sales Manager	Tubacoat S.L.	United States
Executive Account Manager	Union Tech	United States
VP Growth & Development	Union Tech	United States
COO	United Valve	United States
Sales Coker and Ethylene Cracker Valve Repair	United Valve	United States
Sales	USA DeBusk	United States
Pigging & Decoking Director	USA DeBusk	United States
Sales	USA DeBusk	United States
VP of Technical Sales	USA Debusk	United States
Marketing Manager	USA DeBusk	United States
VP Coker Services	USA DeBusk	United States
Pigging Sales Manager	USA DeBusk	United States
Sales	USA DeBusk	United States
Regional Sales Manager	ValvTechnologies, Inc.	United States
Coking Industry Manager	ValvTechnologies, Inc.	United States
Regional Sales Aftermarket	VavlTechnologies	United States
Direct Seller	VEGA Americas Inc.	United States
Industry Sales Specialist, Refining - CA	VEGA Americas, Inc	United States
Direct Sales	VEGA Americas, Inc	United States
Key Technical Manager - Severe Service	Velan	Canada
Key Account Manager - Sales	Velan	United States
Executive Vice President/ General Manager Severe Service Strategic Business Unit -Head of Corporate Engineering, Research & Development	Velan	Canada
President and CEO	Visionary Industrial Insulation	United States
Business Development Manager	Visionary Industrial Insulation	United States
Business Development Executive	Voovio Technologies	United States
Director of Operations	Voovio Technologies	United States
Global Market Coordinator	Voovio Technologies	United States
Senior Associate	WJE Associates	United States
Senior Associate	WJE Associates	United States
Director of Technology	Wood	United States
Sr Process Technology Specialist	Wood	United States
Mechanical Technology Specialist	Wood	United States
Director Technology and Resource Management	Wood	United States
Business Development Manager	Wood	United States
Manager, Applications Engineering	Wood	United States
Chief Process Engineer	Wood	United States

Technology Business Development Director	Wood	United States
Senior Business Development Manager	Wood	United States
Technical Services Manager	Wood	United States
Director – Coking Technology	Wood	United States
Service Line Manager	Wood PLC	Canada
Business Development Director	Zachry Engineering Corporation	United States
Sr. Business Develop Manager	Zachry Group	United States
Sr. Manager Growth & Customer Development	Zachry Group	United States
Technical Sales Representative North & South America	ZMK Technologies GmbH	Germany
Product Manager DC	ZMK Technologies GmbH	Germany
Director Business Development	ZymeFlow	United States
Vice President - Technical Manager	ZymeFlow	United States
Director of Business Development	ZymeFlow	United States
