RE: WCISA® Support of CRU World Optical Fiber & Cable Conference

WCISA® (Wire and Cable Industry Suppliers Association®) is pleased to announce its official support of the upcoming **CRU World Optical Fiber & Cable Conference**, scheduled for November 18 - 20, 2019 in Charlotte, NC, USA at the **Hilton Charlotte Center City**.

The **CRU World Optical Fiber & Cable Conference** is the premier global gathering for leaders of the telecommunications and optical fiber and cable supply chain. Now in its 5th consecutive year, the conference will be held in the US offering delegates the chance to meet with key industry stakeholders from the USA and beyond.

With **Corning** confirmed as host sponsor, and **Prysmian** and **YOFC** as platinum sponsors, the conference will provide unrivalled access to senior decision-makers from the world's leading producers of preform, optical fiber and communication cable, to meet and do business with consumers and services providers from across the global supply chain.

Join this major networking forum and hear from leading industry experts **Corning, YOFC, Prysmian, Microsoft Azure, Nokia, EBP, Fiber Broadband Association** and more.

Several WCISA members will be in attendance as delegates and exhibitors. Additional conference details are available at: <http://bit.ly/35ebzKO>.

WCISA is a nonprofit corporate membership organization of North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based or have an established subsidiary in North America. WCISA's mission is to promote its member's products and services by providing member companies with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active, both as an exhibitor and supporter, in wire and cable trade events and conferences throughout the world. WCISA also offers three types of scholarships to its member companies. Details and a member list can be found at www.wcisaonline.org.
